

Welcome to Unity Health Care and Upper Cardozo Health Center! Upper Cardozo is one of Unity's largest sites serving predominantly Spanish-speaking individuals and families in addition to African-American, African, and Asian families. We hope to provide you with an enriching learning environment in exchange for your hard work and compassionate care for our patients.

There are several things that you will need to do/know during your rotation here:

- **Locker:** There is a locker for student/resident use located in the fourth floor cafeteria. The combination is 31 – 6 – 24. You may have to share it with others.
- **Hours:** Mon, Tues, Thurs and Fri: 8:30 – 5; Wed: 11 – 7:30
- **Complete the evaluation form:** An online rotation evaluation form is available on the Unity website (<http://www.unityhealthcare.org/Students/Evaluation.htm>). Please complete this brief evaluation at the end of your rotation. It will help us to continue improving the learning experiences we offer at Unity.

Unfortunately, Upper Cardozo does not have parking available. However, we are located directly adjacent to the Columbia Heights metro station on the green line:

Upper Cardozo Health Center  
3020 14<sup>th</sup> ST, NW  
Washington, DC 20009  
(202) 745-4300

Another important resource is the DC Area Health Education Center (AHEC) curriculum found on the web at: <http://dcahec.gwumc.edu/education/index.html>. It was designed to help students develop an appreciation and working knowledge of community-oriented primary care, especially as it relates to D.C. and its communities.

Please feel free to contact me if you have any questions, comments or suggestions. Enjoy your time at Unity.

Sincerely,

Lana Beex
