

Become a Community Volunteer with Unity Health Care

What we have to offer you:

Greeter Program

- ◆ Greets patients at the entrance of the Health Center.
- ◆ Directs patients to appropriate departments throughout the health center.
- ◆ Serve as the first point of contact for our patients.

Internships

- ◆ Volunteer and Community Programs
- ◆ Grants Management
- ◆ Unity Health Care Inc Foundation
- ◆ Health Centers (Assisting Health Center Directors)
- ◆ Administrative Offices (Depending on Availability)

Reach Out and Read Program

- ◆ Reading to pediatric children
- ◆ Distributing used books to children
- ◆ Model reading skills to parents and children

Community HealthCorps

- ◆ Community HealthCorps members (under the national AmeriCorps program) are a valuable auxiliary to this health service network. Members reach out to the medically underserved and provide outreach and support services for low-income families served by community, migrant, and homeless health centers. Members are exposed to a variety of health careers and they gain invaluable experience by working with health professionals that are dedicated to improving the health status of hard-to-reach populations.
